

# An Evening of *Hearts & Hugs*

Gratitude fills our hearts as we plan our 16th annual gala to raise much needed funds for families in the epilepsy community. An Evening of Hearts & Hugs will take place at Theater On The Lake in Chicago. We promise a fun evening filled with camaraderie, inspiration, tasty food and drinks, exciting auctions, and live entertainment.

The Danny Did Foundation has assisted families spanning all 50 states and 18 countries. The dollars we raise will change lives and grow our impact even wider.
